

DAY ONE:

DEPART HENDERSONVILLE, NC

Meet at Blue Ridge Mall to board the party bus to Charlotte Airport for our flight to Tampa, where we've arranged transport to the port.

CRUISE DEPARTS PORT AT 4PM.

DAY TWO: FUN DAY AT SEA

Enjoy all that this 963-foot ship has to offer. Try a relaxing massage at the Spa. Taste a vintage-themed cocktail at the Alchemy Bar. Channel your inner diva or rock star at Lip Sync Battle. Feel like a kid again and plunge into WaterWorks, Carnival's onboard waterpark. Or try the Serenity Adult-Only Retreat and be at peace with sea breezes and swaying hammocks: A place to reconnect with your partner, finish that book you started or do—blissfully—nothing!

DAY THREE: COZUMEL, MEXICO

Dock at 8am for an adventure-filled day in Cozumel. Zoom to the beach and plunge in the water. Or take a tour to the Mayan ruins, with frescoes, paintings and writings dating back to the 13th century. Tour their many lighthouses, caves and geological wonders, or just enjoy the sand and surf and walk along its divine beach. Want more excitement? Sign up for a shore excursion but be sure to return to the ship; we depart at 5pm.

DAY FOUR: BELIZE

Dock at 8am and venture out into diverse wildlife with some of the most enchanting creatures on the planet: fish, dolphins, sharks, stingrays, and more. Zip-line through jungles, tube through Mayan caves or catch an airboat and fly over this brilliant water terrain. Again, cruise departs at 5pm.

DAY FIVE: MAHOGANY BAY

Pleasure awaits as we dock at 8am on this island of leisure. Climb aboard for a catamaran sail around the world's second largest coral reef. Swing

and sway and wave around lush jungle landscapes and onto white sandy beaches where you can snorkel, swim, and sip. I'm a firm believer in lounging around and doing nothing, so grab some food, a drink, and a comfy chair and relax on this island's white sandy beaches. Leave-taking at 3pm.

DAY SIX: GRAND CAYMAN

Enjoy a leisurely morning as we dock at 10am on the biggest of the Cayman Islands! Visit stingrays and giant sea turtles, or simply relax and play on the Seven Mile Beach, where snorkeling is nice, but snookling is grand—the perfect blend between snorkeling and diving. No training is needed, just jump right in! Ship departs at 6pm.

DAY SEVEN: FUN DAY AT SEA

Have you sampled ALL the food yet? Including Guy Fieri's Burger Joint? Into fine dining? Ask us about the Chef's Table.* Try your luck at a slot machine in the casino. And don't forget the Fun Shops, where all that glitters is more than gold.

DAY EIGHT: TAMPA, FL

Arrive in port at 8am, disembarkation and travel-flight back to Hendersonville, NC.
